HYBRID CONFERENCE

Circular on the 63rd Annual Meeting April 19th to 23rd, 2022

at the invitation of the
Staatliche Museen zu Berlin, Museum für Vor- und Frühgeschichte

Dear members and friends of the Hugo Obermaier-Society,
Dear colleagues!

The **annual meeting 2022** at the invitation of the *Museum für Vor- und Frühgeschichte* will be held as a **hybrid conference**.

We hereby announce the **call for papers**. Contributions (presentation of max. 20 minutes and/or poster) can but do not have to be related to the meeting's focal topic

“State of the Art – Advances in the study of Palaeolithic and Mesolithic creative behaviour”

We strongly encourage everyone to join the meeting in presence. As we do not know how the pandemic situation will be next spring, the part in presence will be held under the then valid hygienic rules (at least vaccinated and/or recovered). More information will be available in the 2nd circular and on our homepage: www.obermaier-gesellschaft.de/tagungen/.

Due to pandemic restrictions in all possible directions (travel restrictions, potential limit of participants in presence, personal reasons ...) the meeting will also provide a **hybrid solution**. The **hybrid format** offers: giving presentations and following the other talks and discussions.

On our website (www.obermaier-gesellschaft.de), you will find a special form to upload the **abstract of your presentation** until **February 13th, 2022**. We encourage you to include a figure (TIFF or JPEG) in your abstract. The figures should be sent separately to info@obermaier-gesellschaft.de. The conference booklet will be available as PDF file. Since the conference booklets are accessible online, we refrain from automatically sending the printed version by post to those members who will not participate in the meeting, or who participate in the hybrid version. If you wish to receive a printed version of the 2022 booklet, please let us know until January 31st, 2022 by sending an email to info@obermaier-gesellschaft.de

Registration for the meeting can be made online at the society's website www.obermaier-gesellschaft.de/tagungen/. If you participate as an **accompanying person**, please register also individually. The **online registration opens on December 10th, 2021**. The SEPA bank details are IBAN DE36 6009 0100 0349 5270 08 and BIC VOBADDESS. This information is also shown after the online registration. Please transfer the **conference fees until March 1st, 2022**. Registration for the excursions follows the order of payment.

For the **hybrid solution**, we offer a **reduced participation fee**.

All participants who plan to attend the hybrid part are asked to register, since we will send the link for participating only to the registered participants. The 2nd circular with the conference programme and more detailed information will be sent some weeks before the conference. Further

information on the society and the Annual Meeting can be found at our website: www.obermaier-gesellschaft.de.
